Venezuelan Forces Mopping Up Rebels

Revolution Bid By Disgruntled General Fails

CARACAS, Venezuela (AP) — Backed firmly by Venezuela's political, labor and military leaders, the government of President Romulo Betancourt moved swiftly Wednesday to crush a rebellion near the Colombian border. Popular demonstrations cheered the President's actions and jeered at the rebellion.

The rebels were led by a disgruntled Venezuelan general. They crossed the border from Colombia, seized the mountain city of San Cristobal and tried to start a nationwide revolution. They failed.

The government sent planes and soldiers against insurgent positions and said the rebels were quickly bottled up.

The Interior Ministry said there was street fighting in San Cristobal but the government expected all rebel activity to be snuffed out within hours.

A tank column supported by howitzers and infantrymen was said to be advancing toward San Cristobal for what was described as a final attack on the last rebel stronghold.

Interior Minister Luis Augusto Dubuc said the street fighting in the city was between rebels trying to enforce martial law and civilian groups backing the government.

No Loyal Troop Casualties

Dubuc said rebel forces had lost an undisclosed number of men. The government said loyal troops had suffered no casualties.

Leaders of the country's biggest political, labor and military groups demonstrated massive support for the moderately leftist government of Betancourt.

Labor leaders called for a strike in all industries as a sort of holiday demonstration of support for the government. The call apparently was heeded. Airports were reported closed in response to the strike orders, halting domestic and overseas civilian flights.

The Farm Workers Federation ordered its 1,700,000 members to prepare for action to support Betancourt's regime.

Betancourt told the nation that if the rebels refused to surrender shortly he would put down "this criminal adventure without hesitation." He declared the government was sure to win.

Foreign Minister Luis Arcaya charged the insurgents were backed by Generalissimo Rafael L. Trujillo, dictator of the Dominican Republic and an old foe of Betancourt. Officials have often linked him with antigovernment plots here.

Castro Leon Leads Rebels

This was the way the military situation was pieced together from reports reaching Caracas.

Under the command of Jesus Maria Castro Leon, a former air force general who has been agitating against the government for almost two years, the rebels moved across the border from Colombia at dawn.

How they managed to organize in that country, a friendly neighbor to the west, was not clear, but the mountain areas provided excellent cover.

The rebel force proceeded 20 miles beyond the border to San Cristobal, a coffee center of about 50,000 people in the Andean foothills, 385 miles southwest of Caracas. They seized the barracks of the military garrison. The 400 soldiers thus were neutralized.

Then the National Guard, Venezuela's border troops, began fighting back. National Guard headquarters said they held out in the frontier town of San Antonio and soon gained the upper hand, counterattacking in the villages of San Antonio, Colon and La Fria. Then they began mopping up, military authorities said.

Private Plane Hits Airliner, Falls; 4 Killed

Passenger Craft, None Of 36 Aboard Hurt, Lands Safely

HICKORY, N.C. (AP)—A Piedmont airliner and a private business plane collided Wednesday while making a landing approach at the Hickory Airport. Four Michigan businessmen were killed.

The left propeller of the two-engine propeller airliner chopped into the smaller craft, mangling the private plane and hurling it down into a dirt road one thousand feet from the end of the runway.

The airliner, an F27 en route from Cincinnati to Fayetteville, N.C., landed safely without injury to its 36 occupants and only minor damage to the aircraft.

Burke County Deputy Coroner W. Stanley Moore said the victims, all occupants of the twin-engine private plane, may have been killed by the airliner's propeller.

"It looks as if the prop just chewed up the plane," Moore said. "All of the occupants suffered head cuts."

Collide At 600 Feet

The planes collided at about 600 feet over a pasture fringing the small airport. Witnesses said the small plane, a Cessna 310, dropped down on the airliner's left wing and then shot to earth.

Hickory police said the planes, operating under visual flight rules, apparently did not see each other because of the angles of their landing approaches. There is no air control tower in operation here but one is under construction.

The four men were identified as representatives of Grand Rapids furniture companies who were to visit the Hickory Furniture Show opening Friday.

Victims Identified

Papers found in the wreckage identified the victims as officials of the Imperial Furniture Co. They were Julius Bersma, 44, president; David Frank, 66, West Coast sales manager; Earl Gordon Krombeen, 41; executive vice president; and Frederick James Frieswyck, 37, company pilot. The firm has financial interests in the Hammary Manufacturing Co. of Lenoir, N.C.

Three of the mangled bodies were strapped in the seats of the demolished plane. The fourth body was found under the fuselage behind the passenger compartment. An airline passenger, Ed Manske of Milwaukee, Wis., said "There was an abrupt jolt with a lot of noise" and the big plane's left wing was struck. It later showed small dents in the wing and in the propeller.

Nehru Hints Compromise

NEW DELHI (AP)—Prime Minister Nehru hinted Wednesday a compromise is developing in India's border dispute with Communist China.

After a four-hour talk with Red Chinese Premier Chou En-lai, Nehru credited his visitor with "the same urge for peace and cooperation" as India, and added: "As the Buddha said, the real victory is the victory of all, which involves no defeat."

Chou said that to use a common Chinese expression, the border dispute concerns only 1 finger out of 10. He said the issue has its difficult aspects but added: "The Chinese government and myself are deeply convinced that so long as we constantly care for the long term interests of friendship between our countries it is entirely possible to achieve a fair and reasonable over-all settlement."

Nehru's remarks seemed to hint progress in this country's dispute with the Red Chinese over 51,000 square miles of Himalayan territory lying between India and Red-ruled Tibet.

OAS Representatives Reassured By Herter

WASHINGTON (AP) — Secretary of State Christian A. Herter told Latin-American diplomats Wednesday the United States has a new sense of urgency in co-operating with Latin America in economic development.

This sense, Herter said in a speech to a special session of the Council of the Organization of American States, was communicated through President Eisenhower's February tour of four South American nations.

Herter coupled his statement with a caution against rushing ahead with economic reforms at the cost of human rights.

Bowles, Rights Advocate, Demo Platform Chief

LOS ANGELES (AP) — Chester Bowles, an advocate of a strong civil rights program, was named platform chairman Wednesday for the Democratic National Convention next July.

Civil rights is generally regarded as the issue most likely to stir heated debate on a regional basis at the convention.

Bowles, now congressman, ex-governor of Connecticut, and former ambassador to India, is serving now as foreign policy advisor to Sen. John F. Kennedy of Massachusetts, a candidate for the nomination.

Calvin W. Rawlings of Salt Lake City and Camille F. Gravel of Alexandria, La., were chosen co-chairmen of the convention's credentials committee.

The selection of Rawlings and Gravel also indicated an opening gambit to present a strong civil rights program.

Rawlings, national committeeman from Utah, headed the credentials committee at the 1956 convention. Gravel, Louisiana committeeman, has a reputation as a moderate Southerner.

Gravel also is known as a staunch party man and a politician with a talent for getting along with many different factions.

The selections were made by the convention's Arrangements Committee.

The committee also named House Speaker Sam Rayburn, long-time chairman of Democratic conventions, honorary chairman; Rep. Clarence Cannon of Missouri, parliamentarian; and Philip B. Pearlman of Maryland, vice chairman of the Platform Committee.

French Canada Hails De Gaulle

QUEBEC CITY (UPI)—French Canada gave France's President Charles de Gaulle a rousing reception Wednesday.

Enthusiastic descendants of Canada's first French settlers mobbed the visitor and chanted "Vive de Gaulle" and "Vive la France" in the kind of greeting usually accorded only British royalty.

Crowds clamored for handshakes and waved flags as de Gaulle rode through this ancient city in a motorcade. Twice he ordered his car stopped and left it to walk through jubilant crowds.

He shook as many hands as he could, using both his hands at once, and he smiled and laughed during both pauses, once at the war memorial and again at city hall square.

During a visit to Laval University, a 300-year-old seminary, de Gaulle gave a brief address praising the school for having remained true to French culture and traditions.

UAR Announces Israel Espionage Ring Smashed

CAIRO (UPI) —The United Arab Republic announced Wednesday that undercover agents had smashed an Israeli espionage ring which plotted the assassination of President Gamal Abdel Nasser and had arrested 10 ringleaders, including five Arabs and five foreigners.

Israeli observers in Jerusalem shrugged off the spy statement as propaganda. They interpreted the announcement as an attempt to bolster Nasser's standing among the Arabs.

Dillon Declares German Issue Most Critical

NEW YORK (AP)—Undersecretary of State Douglas Dillon said Wednesday night the issue of peace or war may be involved unless the summit powers resolve the German problem by negotiation.

"No issue on earth today is more critical," Dillon said in a major address on U.S. presummit policy.

Dillon spoke bluntly in naming Germany-Berlin as the central issue facing the big powers at their conference starting May 16 in Paris.

He told Soviet Premier Nikita Khrushchev that the West would not bow to threats.

And he appeared to differ with French and German governmental references that the German question be moved to the background by Goldwater of Arizona, who thinks the road to victory in No-

Dillon's address was prepared for delivery before an AFL-CIO conference on world affairs. The conference earlier heard Walter Reuther, president of the United Auto Workers and an AFL-CIO vice president, urge that the United States go to the conference "with our own demands" instead of reacting only to the Soviet Union proposals.

Reuther was referring to the problems of German reunification and Communist-surrounded Berlin.

Opposition Views Move As Coverup

Rhee Still At Helm; Riot Toll Now 115 Dead, 777 Injured

SEOUL (AP) — The South Korean Cabinet resigned Thursday in the face of civilian rebellion at home and a rebuke to the Rhee regime from the United States for harsh suppression of democratic rights.

President Syngman Rhee, still the strongman at age 85, remained in office.

The opposition quickly reacted to the Cabinet's departure, saying this was not convincing evidence of reform.

The resignation of the 12-man Cabinet came in the wake of bloody antigovernment violence that has shaken the country and brought martial law.

The Cabinet resignation was viewed as a possible attempt to have Rhee's ministers accept the blame for the harsh military measures used to suppress civilian demonstrations protesting the conduct of the March election.

Unless accompanied by a firm promise of reforms, the Cabinet resignation was not expected to appease Koreans who turned out by thousands Tuesday to demonstrate against the government and demand new elections.

115 Killed, 777 Injured

Police gunfire then cut down nearly 1,000 persons. The latest official casualty count said 115 were killed, 777 were injured and 1 is missing.

Vice President John Chang, a member of the Democratic party in opposition to Rhee's Liberal party, was quick to declare the Cabinet resignation "cannot be a basic factor in dealing with the turbulent situation — only a fair election can be."

President Syngman Rhee, stung by a stern U. S. rebuke, promised Wednesday to investigate and correct "major causes of discontent."

But the 85-year-old President, elected to a fourth 4-year term in March, stressed that the time to fix the blame for the uprisings will not come until "the necessity for martial law no longer exists."

The last major group of demonstrators in the Seoul area, an anti-government band of several hundred young people armed with a few carbines, was broken up. Several of its members were shot in exchanges with police in the capital's northeast outskirts, site of Seoul's universities.

Leaders Arrested

Lt. Gen. Song Yo-chan, army chief of staff who is in charge of martial law, said leaders of the band were arrested.

Seoul was like a city recovering from battle. Many hundreds of wounded lay in hospitals, victims of riots sparked by about 30,000 students and citizens Tuesday's program. Rail Wrangle Handed To Ike

WASHINGTON (AP)—A strike-threatening wage wrangle between the nation's railroads and 11 unions was dropped in President Eisenhower's lap Wednesday.

The action by the National Mediation Board almost certainly means that a strike of 650,000 non-operating rail workers will be put off at least for 60 days.

The next step is for Eisenhower to appoint an emergency board to consider the dispute. Under the SC, chairman of a special sub-law, this would postpone any walk-out for 30 days, while the board holds hearings and drafts its recommendations, and 30 days more while the parties negotiate on the board's proposals.

U.S. Rebuke To Rhee May Prove Too Late

By WILLIAM L. RYAN
Associated Press News Analyst
The Korean upheaval can leave the U.S. State Department once more breathing the melancholy prayer: "Save us from our friends."
Once again communism gets an invaluable gift of propaganda to use in the global political war centering about the future of Asia, Africa and Latin America.
U.S. policy again finds itself entrapped in a snarl.
Cold war expediency has produced among many people in the uncommitted world the impression that anything goes, so long as it goes under the label of anticommunism.
This impression has been fortified by U.S. support of unpopular regimes — Batista of Cuba, to name one — for what must appear to the puzzled public of some countries to be the only reason that such leaders proclaim themselves anti-communist.
Many, including friends of the United States, consider Syngman Rhee to be at least a near-dictator, supported by U. S. millions.
This time, the explosion can hurt badly, and the Washington rebuke to Rhee may prove too late.

700 Negroes Jailed In New S. Africa Raids

JOHANNESBURG, South Africa (AP)—Police and soldiers backed by armored cars arrested 700 Negroes Wednesday in raids on native settlements outside major cities on South Africa's cape peninsula. More than a thousand have been seized in the last 48 hours.
The raids are part of the drive to squelch an abortive strike called by the outlawed African National Congress protesting the government's strict apartheid laws.
Failure of the strike brought demands from liberal white groups for an end to emergency regulations permitting raids on Negro settlements without search warrants and detention of hundreds in jail indefinitely.
Lands Minister Paul Sauer, acting government head, said Tuesday South Africa would "reconsider in earnest and honesty her whole approach to the native question."

But in a statement to Parliament Wednesday, Foreign Minister Eric Louw rejected any basic changes in government policy, including racial segregation. He also turned down suggestions for a coalition government with the opposition United party which proposed easing the Negroes' lot.
If there is any change, Louw said, Prime Minister Hendrik V. Verwoerd will make it. Verwoerd, recovering from two bullet wounds inflicted by a white assassin April 9, probably will be well enough to take full charge of the government within a week, "even though he might have to do so from his bedroom," Louw declared.

Louw also said the government's announced decision to discuss its racial problems with U.N. Secretary-General Dag Hammarskjöld in London next month did not herald a departure from the government's viewpoint that there should be no interference in the domestic affairs of member states of the U. N.

Frederick May Get 1864 Ransom Back

WASHINGTON (AP)—A \$200,000 ransom taken by the Confederates in 1864 from the city of Frederick, Md., would be paid back by Uncle Sam if Sen. J. Glenn Beall (R-Md.) has his way.
Beall offered a bill Wednesday to provide for reimbursement to the city.

The ransom was paid by the city to Confederate forces under the command of Lt. Gen. Jubal Early to prevent the destruction of the city and to Union supplies stored there.

Beall said the Confederates needed the supplies but they needed money, too.

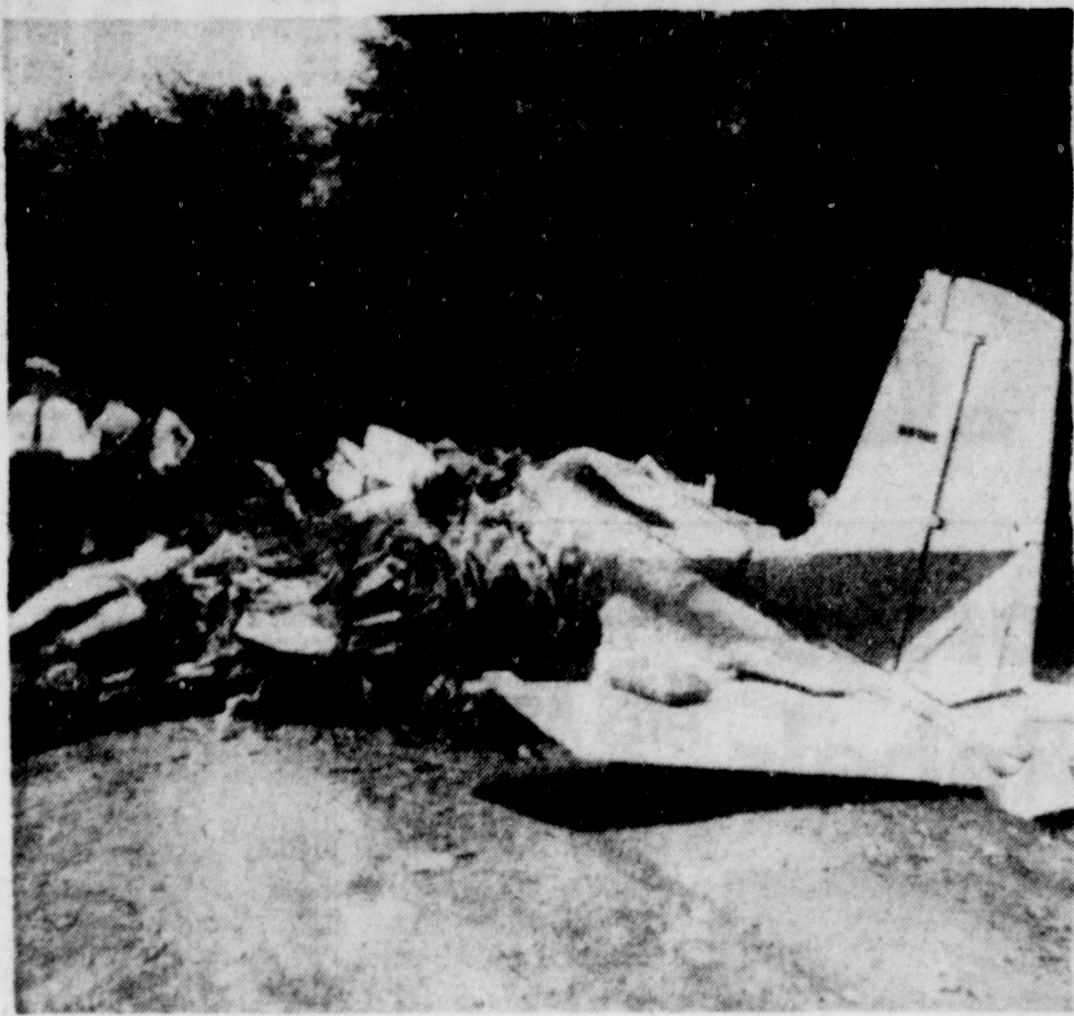

"When they found that the storehouses contained exceptionally large quantities of supplies," Beall said, "They levied a ransom of \$200,000 upon the townspeople."

"The ransom was paid, and the Union supplies were left intact and the town was not destroyed, as had been threatened."

towns under martial law, police and soldiers fired blank cartridges to disperse a crowd of college students and high school boys trying to revive the demonstrations. Outbreaks in the other martial law cities, Chonju, Incheon and Taegu, were put down with similar dispatch.

This cleanup was relatively restrained, in contrast to what happened Tuesday, when police had poured volley after volley of live fire point blank into demonstrators in downtown Seoul. Apparently the army's martial law policy was to shoot in earnest only as a last resort.

Late Filers Due Md. Tax Refunds Face Long Wait

ANNAPOLIS (AP)—Anxious to get that refund from your state funds. They were due about \$6 income tax return you filed this week? Better settle back to a long wait, mister.

Benjamin F. Marsh, chief of the Maryland Income Tax Division, says it will be mid-May before some of those big mailbags full of returns lining the corridors of the State Office Building will even be opened.

And then it may be some time in June before you get your check.

Some 200,000 early bird taxpayers, who got their returns in during January and February, have either received checks or will soon if they didn't make mistakes on their returns. But the late filers are a long way from theirs.

The state can only process about 5,000 refunds a day, and it has some 300,000 more to go if past experience is any indication.

"We're making refunds as fast as we can, but we can't stop everything else to do it," Marsh said Wednesday as he stared at a roomful of boxes containing forms on which refunds are claimed.

"We've got to process our other returns at the same time, and we can't pull in people off the streets to do it. This business requires trained personnel."

He has a staff of 235 persons working full blast on processing returns and handling the other routine of the tax division which must go on year-round.

Marsh said the rate of processing is as fast as it ever has been, or perhaps faster, but the volume of complaints increases, both by letter and telephone.

"Most of them are from people who are due only five or six dollars," Marsh said. "The money was taken out of their pay in dribbles all during the year and they probably didn't miss it, but now they want it right away. You don't hear anything from those who are due 75 or 80 dollars."

"We got one call this week from a congressman with two constitu-

Polio Soft Spots Noted

NEWARK, N.J. (AP)—Polio paralysis is striking hard again—killing now mostly at one and two-year-old children in crowded city housing, researchers said Wednesday.
There are danger spots in the U. S. population where large groups of persons—especially babies and preschool children—are vulnerable to coming polio attacks, they said.

These "soft spots" must be found and protected by Salk vaccine, said Drs. Alexander D. Lang and E. Russell Alexander of the epidemiology branch of the U. S. Public Health Service's Communicable Disease Center.

More than 5,000 persons were paralyzed by polio last year in the United States despite Salk vaccine, they told the 1960 symposium on polio vaccines here.

Once called "no respecter of social class or pocketbook," polio has changed its pattern.

Now it hits hardest in local epidemics and outbreaks, focusing on young children in crowded city areas, generally lower economic groups — tenements and slums.

Little German Girl, Heart Man 'Needled' Repaired, Leaves Hopkins By Surgeons Wins \$4,548

BALTIMORE (AP) — Linda, 11-year-old German girl for awhile, confining most of her who was operated on for a serious activity to the house. She and her heart defect less than three weeks mother, Mrs. Hima Ridder, are 20, has left Johns Hopkins Hos- living with German-born friends.

When she has been discharged as an outpatient, probably in two weeks, Linda wants to do West Germany. Some sightseeing. A meeting with President Eisenhower and a visit to Texas are high on her list of hopes in getting better acquainted with the United States.

A spokesman at the hospital said Linda left the hospital Tuesday and appears to be doing very well. She has to return for a checkup every few days.

She arrived at Hopkins March 28 and was operated on a few days later for a heart defect called aorta stenosis. That is a narrowing of the main artery leading from the heart, a trouble she has been plagued with since infancy.

The girl's father, Felix, is an editorial writer on the Northeimer Neue Nachrichten at Northeimer. The Hanover government helped the family with a loan and many friends in her homeland have contributed to a fund for Linda's expenses.

The pretty, brown-haired girl who bubbles with friendliness won a following of well-wishers from many parts of the United States. They sent her cards and presents at the hospital.

The decision of the government doctors not to tell Jackson that the needle was there when they discovered it in 1955 "was made in good faith," Judge Thomsen said. But the one-inch curved needle with accompanying scar tissue and enlarged lymph nodes "probably" caused some of Jackson's recent pains. The doctors, the judge found, were "negligent" in not giving him the choice of having it removed.

Film-Flam Artists 'Take' Negro Woman

BALTIMORE (AP)—Mrs. Nancy Foster, Turner Station Negro, learned Tuesday how not to make a \$2,000 profit on \$8,800.

She told police she met two women in a Dundalk store. They talked her into withdrawing the \$8,800 from the bank and turning it over to them while they checked to see if it included a \$20 bill with a certain serial number. She stood to gain \$2,000 if she had the lucky \$20.

The film-flam artists told her they worked in the Internal Revenue office in Dundalk, where she waited in vain for a man supposed to turn over the \$2,000.

Luck With Four In Freak Mishap

BALTIMORE (AP) — Two Tennessee couples escaped serious injury Wednesday when the driver of their car fell out the door and his wife tumbled to the pavement with him when she tried to grab her husband.

Police said Charles Arnold, 37, of Bristol, Tenn., was eastbound to New York City where the four were to attend a convention.

The car door flew open and as Arnold started to fall out, his wife Edna, 37, grabbed him and both fell out.

The driverless car, with Mr. and Mrs. Madison Davenport sleeping in the back seat, went over a curbing, down an embankment and travelled 70 feet before stopping.

Arnold was hospitalized with possible head injuries, a fractured neck and multiple abrasions. Mrs. Arnold and Mrs. Davenport, 37, of Elizabethtown, Tenn. were treated for minor injuries at Johns Hopkins Hospital and released. Davenport was not injured.

Tass said Muscovites have bought more than 60,000 radios, 33,000 watches and clocks and about 7,000 electric sewing machines on time since the buy-now-pay-later plan was introduced six months ago.

MEDAL OF HONOR—Theresa Hayes, 17-year-old Overbrook School for the Blind student who remained at a telephone switchboard March 10 when the school was swept by fire, was presented Philadelphia's first Medal of Honor yesterday by Mayor Richardson Dilworth. Although the medal was authorized in 1954, the city felt no suitable act had been performed by any residents to warrant its presentation. The blind girl was credited with alerting all the blind students and their teachers when fire swept the school. (AP Photofax)

B. And O. Reports D.C. To Reduce Motorcycle Police Force Loss Of \$920,000 Due To Weather

WASHINGTON, (AP)—Washing- There now are 104 motorcycle ton's motorcycle police force will police in the department. The be gradually reduced. The chief said some will be retained for ceremonial functions and special details.

As vacancies occur, replacements will be assigned to patrol cars. The reason for the action, Police Chief Robert V. Murray said, is the number of injuries resulting from motorcycle accidents in recent years. The Greenland whale attains a length of about 70 feet.

BALTIMORE, (AP) — Severe snow storms and other expenses caused by inclement weather resulted in a loss of about \$920,000 during March, the Baltimore and Ohio Railroad reported Wednesday.

President Howard E. Simpson said the traffic volume did not meet expectations because of a leveling off of production in the steel, auto and coal industries served by the B&O. Other businesses also were affected.

The railroad had a net income of \$2,185,000 for March 1959, but Simpson pointed out that normal operating conditions prevailed and traffic of all classes was on the upgrade.

During the 1940's, there was an annual average of 182,000 forest fires in the United States.

Cancer Campaign Dinner At YMCA This Evening

The "kickoff" dinner of the wide in scope, with delegations from 1960 Cancer Crusade today at 6 p. m. at Central YMCA will have towns. Miller Bowen is heading no speaking program, according to the campaign in Frostburg, to Mrs. Lucile Roeder, president where the house-to-house solicitation will be in charge of Mrs. of the Allegany County Chapter. Charles Hill and Mrs. Christine Williams. The LaVale appeal The decision to have no long, drawn-out program was based on the Chinese proverb that "a picture is worth 10,000 words," Mrs. Roeder explained. Following brief remarks by Herman L. Myers, general chairman of the crusade, and Mrs. Robert K. Poling, chairman of the house-to-house solicitation, a cancer film, "Never Alone," will be shown.

Educational films about cancer have been seen by more than 22-million Americans," Mrs. Roeder said, "and the lives of many of them have been saved." She added that the life-saving value of films on cancer is the concrete fact, not wishful thinking. The short documentaries about cancer control can be obtained at 9:30 a. m. An identical session will be held from 7 to 9:30 p. m. This basic course will include fundamentals and history of Girl Scout House, Greene Street. The morning session will begin at 9:30 a. m. An identical session will be held from 7 to 9:30 p. m. This basic course will include fundamentals and history of Girl Scout House, Greene Street.

"Our films also concentrate on the fact that many cancers are being cured," Mrs. Roeder stated. One of every three cancer patients is being cured, she added, further stating that it could be one in two if everybody saw the motion pictures and heeded what they have to say. Stressing that the films have a valuable and interesting message for everybody, Mrs. Roeder said it is her opinion that people learn best when they are interested.

"We don't try to frighten people, and we don't like to encourage cancerphobia. We believe people should know the facts of cancer and keep them in mind, without having them on the mind."

This evening's dinner will be for all volunteers who are assisting in the 1960 crusade, Mrs. Roeder said.

The program will be county-

City Crews Start Annual Trash Pickup

The collection of trash in the city's annual cleanup campaign started yesterday in the area south of Williams Street, with spokesmen for the City Street Department reporting the collection as being "heavy, but spotty."

The cooperation of the public is asked by the city spokesmen so that the men and vehicles can avoid "backtracking." Residents are requested to have household junk and trash placed at the curbs by 8 a. m. on the collection days so as to expedite handling and hauling.

City crews today will collect trash on the East Side and North End, while all of the West Side will be serviced on Friday. There are no weight limitations on what will be collected, although Street Superintendent Andrew Heller said newspapers and magazines should be bundled or placed in cardboard containers to facilitate handling.

The project is being sponsored by the Community Council, with the Street Department cooperating in the effort. Next week has been proclaimed as "Paint-up Week" and May 17 as "Fix-up Week."

Pays \$33,059,166

The Metropolitan Life Insurance Company last year made payments totaling \$33,059,166 to Maryland policyholders and beneficiaries, according to the company's annual report.

Peach, Cherry Trees Bloom In District

Peach and cherry trees are in bloom in this section and apples will follow soon as warm weather continues.

It appears that apples may be in bloom by the time the Apple Blossom Festival is held next week in Winchester, according to horticulturists of this area.

As far as peaches and cherries are concerned, this is the annual worry season for growers of those fruits.

The blossoms are in their most delicate stage and a frost could be most harmful. The orchards in this section are in danger from frost up to the end of May, but usually the end of the worry period is between the May 10 and May 15.

Peaches are about a week late this year, according to R. L. Sumner, manager of Mountain Fruit Sales Inc., Romney, the large Hampshire belt cooperative.

Orchardists have instituted their spray programs this week and many are setting out new trees.

The Hampshire County cooperative will be one of the features

Candidate For W. Va. Governor Fears Primary Will Mean 'Religious War'

RAVENSWOOD, W. Va. (UPI)—Aspirants should "go home" lest three Democrats and two Republicans turn West Virginia into "the battle ground speech," Neely said in a prepared statement Wednesday.

"The welfare and the future of the state of West Virginia are at stake," Neely said, in what he described as "this unholy primary."

"I cannot stand idly by and see my fellow West Virginians, whatever their political or religious beliefs, being indefensibly cast in the role of poverty-stricken indigents or intolerant religious fanatics," Neely said.

"This is the choice offered West Virginians in the Democratic presidential primary. So I say here and now, Humphrey and Kennedy—go home."

Speaking at a forum arranged by Kaiser Aluminum employees and attended by all five West Virginia candidates for governor—

Water, Sewage Jobs Started In LaVale

Two projects affecting the residing west of Footer's Plant of water in the big reservoir, he water and sewage systems in to conserve their water during LaVale were started Monday, the next ten days.

Willard E. Engle, superintendent for the LaVale Sanitary Commission, reported.

The repair of the 270,000-gallon concrete reservoir at Laber Springs at the westernmost end of the water system was started by Ronald Smith, the successful bidding contractor.

The Hout Construction Company began work on relocating the water main and installing a new sewer line from Park Heights to the LaVale Fire Hall along Route 40.

The project became necessary due to the widening and resurfacing of Route 40 between those two points.

He said Humphrey's farm vote record "has been directed to the big farmers of Minnesota and the Midwest without one iota of consideration for the farmers of West Virginia" and Kennedy's "labor baiting has only tended to arouse a new suspicion concerning a problem which the state of West Virginia solved long ago."

Neely said there is no assurance that any of West Virginia's 25 votes at the Democratic National Convention will go for either Humphrey or Kennedy since delegate candidates are not required to express a preference.

"Neither the Democrat nominee for president nor the Democrat party will have to save the wounds which will be inflicted on West Virginia in this useless, senseless, wicked and unholy primary campaign," he said.

Man Charged In Shooting

Richard Miller, Flintstone, has been charged in connection with the shooting of Palmer Howsare, 47, also of the Flintstone area, last Sunday.

Howsare sustained a leg injury in the shooting incident and was hospitalized at Memorial Hospital here. He was released Monday.

Trooper Elmer L. Landis of the Pennsylvania State Police at Bedford said Miller has been charged with assault with intent to kill.

He was given a preliminary hearing before Bedford Justice of the Peace H. Cyril Bingham on Monday and ordered held under \$2,000 bond. He is being detained in the Bedford County Jail.

Magistrate Bingham said yesterday he will hear the case on Wednesday of next week at 10 a. m.

Trooper Landis said the shooting occurred near the victim's home early Sunday morning. Details of the affair are not yet clear, Trooper Landis said.

Rank And Badge Workshop Planned

A rank and badge workshop will be conducted at the Girl Scout House, Greene Street on April 27 at 9:30 a. m. This course is for any adult leaders interested in proficiency badge instruction or program progression through Scouting.

Sees Manpower Drop

CHICAGO (UPI)—Labor Secretary James P. Mitchell said Tuesday a manpower pinch during the next 10 years will force employers to hire more Negroes, women and old folks.

He said the low birth rate of the depression years was responsible for the pinch. He explained that the number of workers in the 25 - 44 age bracket would increase by 1,600,000 in the next 10 years while the number of jobs would grow much faster.

The Soviet Union, the British Commonwealth, Brazil and the United States control two-thirds of the world's forest area.

BPW Elects Delegates, Names Two Committees

The Cumberland Business and Professional Women's Club elected delegates to the state convention and Mrs. Ethel Northcraft appointed a nominating and auditing committee at the meeting in the green room of Central YMCA Tuesday evening.

Delegates to the state convention May 20, 21, 22 at the Sheraton Park, with Silver Spring club hostess, are Miss Mary Jo Logsdon, Mrs. Kathleen Burke, Miss Margaret Kirby, Miss Dorothy Manley, Mrs. Rosemarie Ambrose, Miss Edith Scharf, and Mrs. Regina Cioni. Alternates are Miss Anna Nicht, Miss Theresa Nicht, Mrs. Northcraft, Miss Orpha Bonita Pritchard and Miss Gerardine Pritchard.

Two meetings were planned for May. Committee reports are to be made and officers nominated May 17. The installation of officers will be May 31. Both are at the Y. The nominating committee consists of Mrs. Cioni, Miss Anna Nicht and Mrs. Blanch Mantel. Miss Gertrude Wolf was named chairman of the auditing committee, with Miss Jo Ann Simpson and Miss Thelma Price serving with her.

It was decided to end this year's activities with a picnic in June. Announcement was made of the national convention to be held in Philadelphia in July. A letter of appreciation from Mrs. Sara Roberta Getty was read. She reports she enjoyed the letters she received and is convalescing.

A "Career Advancement and Public Relations" program was presented. Jean Kidwell of Frostburg State Teachers College sang, "Near Him," "Gigi" and "The Man Doesn't Know," from "Damn Yankees," accompanied

Speaker Announced

Announcement that Lloyd C. Baker, vice president of the Baltimore and Ohio Railroad, will be guest speaker at the dinner of the B&O Veterans and Auxiliary, was made at a joint meeting of the groups Monday evening at the Legion home.

The dinner dance is to be held June 11 at the Ali Ghan Country Club, with R. J. Cannon, division superintendent, as master of ceremonies. Wade Furlow and Paul Moore are co-chairmen. They are being assisted by Mrs. Rufus Nave, Milo Clem, Mrs. Chloe Reynolds, Mrs. Reese Arve, Mrs. Tillie Gobel, Mrs. Mabel Young, Mrs. Bessie Me-theny, Mrs. Catherine Wilson and Mrs. Betty Gross.

Two new members were introduced, Mrs. William Wadsworth and Mrs. Myrtle Brode. Mrs. Clair Flora conducted the meeting and prayer was offered by Mrs. Wilson. Mrs. Miller and Mrs. W. L. Smith were reported ill. A social concluded the evening. Twenty-seven members attended.

Flintstone PTA To Have Style Show

A style show by students of the eighth through 12 grades will be the highlight of the program of the Flintstone PTA meeting tonight at 8 p. m. at the school. It will be under the direction of Miss Joann Sterbutzel, home economics teacher. Officers will be elected at the business session, conducted by Mrs. Guy Thompson. The executive meeting will be at 7 preceding the general session.

CARE Will Present Awards

Three Allegany County clubs will be among those in the Maryland Federation of Women's Clubs to receive CARE awards April 25. Mrs. Mary Nyburg, Maryland-Delaware CARE director, has announced. They are the Oakland Civic Club, Junior Woman's Club of Oakland, and Westernport and Luke Civic Club.

The awards are to be presented to the clubs which have had 100 per cent participation by the members in the Maryland Federation-CARE Mexican Village Self-Help Project.

Monday the federation will complete its two-year project to send self-help tools to rural Mexican villages through CARE. As part of the events connected with the State Convention of the Maryland Federation, CARE will present awards to the clubs in Maryland that have had participation by all of the members of their clubs. Forty-five clubs will receive this award which will be presented by Mrs. Helen Livingstone Smith, Director of National Organizations for CARE, who will come to Baltimore from CARE's World Headquarters in New York for the occasion.

In addition three special certificates of award will be presented to clubs which raised the most money in three membership categories. For clubs with a membership of under 50 members the Newcomb Club of Bethesda is the winner. The Talbot County Woman's Club is the winner in the 51-125 membership category and for clubs with over 125 members the Woman's Club of Chevy Chase will receive the special award.

Every club in the Maryland Federation has participated in the project and will be presented with a special plaque at the General Federation of Women's Clubs convention in Washington in June.

During the two-year project the Maryland club-women have sent village development units to 21 rural Mexican villages. The material delivered to these mountain communities includes plows, sewing machines, carpentry kits, rakes, hoes and shovels, books and sewing materials so that they will have the tools to use new-found knowledge being given to them by their own government's technical assistance teams.

Mrs. Edward Dove, president of the Woman's Civic Club; Mrs. G. Morgan Smith, Mrs. William A. Douglas, Mrs. Albert Heacock, Mrs. Fred Hutcheson, Mrs. Benjamin Lewis, Mrs. Ralph Lindinger and Mrs. Ernest Lindsay, members; Mrs. K. O. Nelson, Mrs. Raymond Lapp Jr., Mrs. Richard Dailey, Mrs. Bertram Friedland, Mrs. Leslie Clark, and Mrs. Edwin Everhart of the Junior Woman's Civic Club will attend the state convention April 24-26.

Secretaries Dance To Be Friday

Algonquin Chapter, National Secretaries Association, will hold its annual scholarship fund dance tomorrow evening on the theme "April Showers." It will be held in the Cumberland Country Club, with the Richard Lewis Orchestra of Morgantown playing from 10 until 2.

The scholarship to Catherman's will be awarded through a competitive examination May 7 at Fort Hill High School.

Decorations for the dance are to depict "April Brings Showers of Raindrops and Flowers." The same motif was carried out on the invitations. Designs and decorations are under the direction of C. William Teubner.

Prizes will be awarded throughout the evening, with a feature prize during intermission.

The committee consists of Miss Dorothy Campbell, Mrs. Ann Cirillo, Mrs. Jean Burke, Miss Charlotte Burns, Mrs. Ann Hartung, Miss Wanda Lee Hanks, Miss Rachael Seifarth, Mrs. May Richardson, Mrs. Mary Jo Wagner, Mrs. Henrietta DeRosa, Mrs. Joy Paupe, and Mrs. Rose Marie Murray.

Secretaries Week will be observed beginning with attending services at Emmanuel Episcopal Church Sunday. A tea will be held in the afternoon. Secretaries Day will be observed Wednesday with a dinner at 6:30 at the Cumberland Country Club, when the "Secretary of the Year" is to be named.

To Mark Anniversary

The 33d anniversary of Our Flag of Cumberland Council No. 100, Daughters of America, will be celebrated at 7:30 tonight in Junior Order hall. Six charter members are to be honored. They are Mrs. Effie Weber, Mrs. Ethel Hynes, Mrs. Dora Owens, Mrs. Lucinda White, Mrs. Viola Hudson, and Mrs. Josephine Biggs.

Mrs. Maude Kirk, Barton, past state councilor and the present deputy, will attend.

Mrs. Lena Owens and Mrs. Ada Keady are cochairmen of arrangements.

Bridge Winners Announced

For plump upper arms: Lie flat on your back, with elbows at shoulder level and hands placed at the sides of your head. Lift left elbow and thump upper arm on the floor, six times. Alternate arms for another six.

For too-thin arms: Stand tall, with arms stretched outward at shoulder level. Push palms outward, as though bracing imaginary walls on either side. Push, relax, push, relax — a dozen times.

For large calves: Sit up, balancing your body by placing hands on the floor back of you, and slightly to the sides. Draw the left knee up, then slap the calf against the floor. Always keep your feet on the floor. Repeat six times, then do the same with the right leg.

For thin legs there is no better exercise than knee bends. Develop shapely calves, ankles, and thighs by doing the bends as

Man Sentenced Northern Garrett High For Violating Names CARnival Princess Parole Terms

Donald Eugene Westfall, 24, of Bowman's Addition, yesterday was sentenced to six months in the House of Correction after he was found guilty of parole violation by Magistrate F. Allan Weatherholt.

Westfall was arrested this week by Trooper George Wachter of the State Police and was charged with disorderly conduct on Monday at the Bowman's Addition Fire Hall.

Westfall was found guilty of a similar charge last August by Magistrate Weatherholt, who fined the young man \$25 and gave him a six-month suspended jail sentence. Magistrate Weatherholt at that time also ordered Westfall to stay out of all fire halls for a period of one year. Westfall and three other men were found guilty of creating a disturbance at the Bowman's Addition Fire Hall on August 1.

Answer False Alarm

East Side Fire Company was called to the intersection of Shades Lane and Cole Street yesterday at 8:35 p. m. by a false alarm. Both firemen and city police, who respond to box alarms, investigated.

Northern Garrett County High School has selected its princess for the court of Mercedes Arelliza daughter of the Spanish ambassador to the United States, who will reign as queen of the Cumberland Sports CARnival here May 9-15.

The princess is Charlotte McCurdy, 18, daughter of Mr. and Mrs. Clyde McCurdy, Grantsville, and a senior at Northern Garrett County High School.

An academic student at the school, Miss McCurdy has been a member of the National Honor Society and is a treasurer of the Future Teachers Club. Her varied background includes membership on the school's basketball team and being a member of the senior band for three years. She has also served three years as a majorette.

The princess, who is widely traveled in the United States, plans to attend Frostburg State Teachers College next September. She is a Sunday school teacher at Christ Lutheran Church in Grantsville, and is president of the Luther League.

In the queen's court with Miss McCurdy will be young ladies representing most of the communities within a 75-mile radius of Cumberland.

The main functions in which they will participate will be a pageant which will be climaxed by the crowning of the queen, to

CHARLOTTE McCURDY

be held at Allegany High School; the Queen's Dinner at the Cumberland Country Club, preceding participation in a mammoth parade to be held in downtown Cumberland.

Medical Society Will Remodel, Expand Offices

BALTIMORE (AP) — The Medical and Chirurgical Faculty of Maryland Wednesday voted to spend \$306,600 to remodel its present offices and build expanded headquarters next door.

Plans call for remodeling the building at 1211 Cathedral Street in Baltimore, leveling the ground at 1215-17 and erecting a three-story building there.

The Faculty's House of Delegates approved the move at opening business sessions of the organization's 162nd annual meeting. Some 1,400 doctors from throughout the state are expected for the three-day meeting.

Dr. Albert E. Goldstein, chairman of the building committee, explained the remodeling and building would cost about \$256,000 and equipment and furniture would amount to some \$50,000. The job is expected to take one to one-and-a-half years.

The faculty decided to drop plans for a more ambitious expenditure — \$335,000 for an entirely new headquarters.

Because of the lengthy discussion on the building plans, delegates put off until Friday a decision on whether Maryland doctors should drop the title "Dr." in front of their names and add "M. D." on the end.

The American Medical Assn. recently passed a resolution urging members to drop the prefix in favor of "M. D." to distinguish the medical profession from others. A faculty committee pointed out there are at least 51 doctor degrees, ranging alphabetically from doctor of agriculture to doctor of theology.

Firor To Head Medical Society

BALTIMORE (AP) — Dr. Whitmer B. Firor, a Baltimore radiologist, will become president of the Medical and Chirurgical Faculty of Maryland at the close of the annual meeting here Friday.

Dr. Firor, who succeeds Dr. Leslie E. Daugherty of Cumberland, is an assistant professor of radiology at the Johns Hopkins School of Medicine.

New vice presidents will be Dr. Edmond J. McDonnell, Baltimore; Dr. Merrill M. Cross, Silver Spring, and Dr. Harold B. Plummer, Preston.

Two Baltimore men, Dr. William Carl Ebeling and Dr. Wetherbee Fort, will continue as secretary and treasurer, respectively.

The faculty will install four new members of the council including Dr. Edward W. Ditto Jr., Hagerstown; Dr. W. Royce Hodges, Cumberland; Dr. M. McKendree Boyer, Damascus, and Dr. Eberett S. Diggs, Baltimore.

New Gas Pipelines Planned In 3 States

WASHINGTON (AP) — Two pipeline companies Wednesday asked Power Commission authority to construct \$7,330,370 worth of natural gas facilities in West Virginia, Pennsylvania, Virginia and Maryland.

Equitable Gas Co., Pittsburgh, proposes a \$5,384,070 project in West Virginia and Pennsylvania to increase its system capacity by 76 million cubic feet daily.

Atlantic Seaboard Corp., Charleston, W. Va., wants to increase the capacity of its system in Virginia and Maryland at a cost of \$1,946,300 to meet increased requirements of existing customers next winter.

Town Community Council Protests New Walk Light

Moorefield Group Seeks Lake Site

MOOREFIELD, W. Va. — The Moorefield Community Council, for the Deaf and Blind to assist coordinating organization of 14 in the project.

R. E. Fisher reported on the progress of the Valley TV Cooperative. All applications before the Federal Communications Commission were held up due to the resignation of the chairman of the commission recently. U.S. Navy technicians have recommended two alternate channels for the proposed Adler Translator on top of Branch Mountain to replace the two taken over by the Navy Sugar Grove Radio Astronomy device. Word from the Commission is expected at any time authorizing the construction permit. Engineers for the Valley TV Cooperative have the substitute application on file with the FCC.

L. L. McConnell, president of the council, requested committees on the annual Clean-up. Paint-up campaign to confer with town officials to set a date to haul trash and clean streets during the campaign.

Plans were discussed to attempt to locate a site for an impounding dam for a recreational lake close to Moorefield, for swimming, boating and fishing. Robert McNeill was named chairman of a committee to assemble information to present to the group.

The council decided to sponsor the transportation and costs of examination for a speech clinic for children with speech difficulties. Arrangements are being made with the Romney School for the Deaf and Blind to assist in the project.

MOOREFIELD, W. Va. — A display of home made lamps and shades constructed by boys and girls in Moorefield High School is on display in the window of Harper's Five and Ten. The lamps are fashioned in odd shapes and sizes from various items including pine knots, driftwood, turned lamps of cedar, cedar stumps, cedar poles, oak, maple, anti-aircraft shells and an ancient caribde lamp.

Two of the driftwood pieces came from the flood of '49 and the shell cases are relics of the second World War. Christine Harper and Linda Inskeep turned two from maple and red cedar. Mrs. P. W. Inskeep, mother of Linda Inskeep made a beautiful shade for one of the lamps.

The shopcraft lamps were used at the annual Future Farmers of America banquet held last week.

Class Reunion Dinner Planned

LONACONING — The Class of 1940 of Central High School will hold its 20th anniversary reunion at Alvin C. Neat Post No. 5280, Veterans of Foreign Wars home, Lonaconing, Saturday, July 16, at 6 p. m.

Harry R. Gowans, class president, has sent invitations to all members of the class whose addresses have been obtained.

War Memorial Is Damaged At Midland

Officials To Take Positive Action

MIDLAND — Midland American Legion Post 169 is asking the citizens to respect the Honor Roll Area. Recently, the area in front and behind the memorial has been littered with trash of all types. The shrubbery around the Memorial has been destroyed and the main name stone has been scratched.

The continued abuse of this Memorial will not be tolerated and action will be taken against the person or persons responsible, legionnaires said.

"We feel that this Memorial is not only a beauty spot in the town, it is a Memorial to our honored dead and should be treated with the respect deserving such a Memorial. The cooperation of all the citizens of Midland will be appreciated," members stated.

Rector Says Racing Hurts Community

Claims Gambling Creates Problems

PHILADELPHIA (AP) — An Episcopal rector from Charlottesville, Va., says the two race tracks there do the community of 5,000 more harm than good. The tracks operate 208 days of the year.

The Rev. Stanley Hauser made this report Tuesday night to an institute on gambling conducted by the Episcopal Diocese of Pennsylvania in connection with the harness racing question up for a vote in 14 counties in the April 26 primary. Tape recordings carried what he had to say to gatherings in neighboring counties.

The Rev. Mr. Hauser said when the betting season is on in Charlottesville, businessmen report an increase in defaults and repossessions, lapses in insurance policies and more employees fired for dipping into the till.

"Employers have noted that the day racing season affects absenteeism and the night racing affects work efficiency," the clergyman continued.

Racing as a sport, he said, involves many honorable persons such as horse owners, trainers, veterinarians and jockeys, "but as the sport of kings, perhaps only kings should do the gambling."

Docket Called In Mineral Co. Circuit Court

Civil Criminal Trials Are Set

The docket for the April term of Mineral County Circuit Court was set yesterday in Keyser by Judge Ernest A. See.

Prior to establishing trial dates, Frederick Samuel Duck-worth of Keyser entered a plea of guilty to a charge of taking \$450 from Nancy Hanks Post 3518, Veterans of Foreign Wars. Duckworth, who had been em-ployed as a steward at the post home, has been making restitu-tion his attorney, Charles Smith, said.

Sentence Suspended
Judge See sentenced Duck-worth to a term of one to ten years in the state penitentiary, but suspended the sentence on condition that he make complete restitution.

The trial of Guy N. Liller, 37, of Keyser, on a charge of mal-icious assault in the shooting of his wife, Mrs. Maxine Liller, 30, New Creek, was not set.

Liller's attorney, Joseph P. Blundon, requested the court to have the defendant undergo psychiatric examination.

Liller shot his wife five times with a .22 calibre rifle at her home in New Creek on Sunday morning, April 3.

Judge See nolle prossed two cases. One concerned Donald W. Butts, assault on a constable and destruction of property.

The other was a felony charge against Martin G. Steele for ma-licious assault who is still being sought.

Overload Case
Set for Tuesday, May 3, is the trial of Emmitt Jones, Elk Gar-den, on a charge of driving a truck that was overloaded. He pleaded not guilty this morning. He is represented by Howard P. Shores.

Arthur Hook, Keyser, entered a plea of guilty to a charge of larceny of furniture from his mother, Cora McDonald, and he was ordered to appear Saturday, April 30, for sentencing. Blundon is his attorney.

John William Mathews, of Alle-gany County, entered a plea of not guilty to passing a bad check and his trial is set for Monday, May 2. He is represented by Blundon and Reeves Taylors.

More Scheduled
Also scheduled for Monday, May 2, is the trial of Dewey E. Mort and Leonard Mort, of the Cumberland area, on a charge of taking scrap metal from the Western Maryland Railway at Ridgeley. Their attorneys are H. P. and H. G. Shores.

Judge See also set the following dates for these civil trials:

John C. McDonald, vs. Leonard Evans, Wednesday, May 4; Gladys Snyder vs. South Hauling Company and Louis Fletcher, Thursday, May 5.

International Harvester Credit Corporation vs. Paul E. Moore, Monday, May 16, Frank V. Car-enter vs. Elmer Rader, Tuesday, May 17.

James A. Dixon vs. Mary I. Taylor, and State of West Vir-ginia and Don C. Harman, state tax commissioner, vs. G. B. Ward, both Wednesday, May 18.

Sen. Humphrey To Visit Keyser On April 26

Romney, Kingwood, Terra Alta Also Listed In Schedule

KEYSER — Sen. Hubert H. Humphrey, Democratic presi-dential candidate, will visit Key-ser Tuesday, according to For-est Talbott, who came here to make preliminary arrange-ments.

Sen. Humphrey's campaign tour Tuesday will team in Fair-mont at 8 a. m., continue to Harper's Ferry via Grafton, Fel-lowsville, Kingwood, Terra Alta, Keyser, Romney, Berkeley Springs, Martinsburg and Charles Town.

Talbott, assistant secretary of state in Minnesota, is serving as Humphrey's tour manager for the Eastern Panhandle and as a free-lance campaigner. He said the senator will appear here about 11:14 a. m.

Chairman of his speech and luncheon engagement in Romney will be O. W. Snarr, retired president of Moorehead (Minn.) State College, who now resides in Hampshire County.

The campaigner will travel, as usual, in a chartered bus with his own small string band and singers to help entertain the crowds.

Monday he will be in Charle-son and from there will travel to Fairmont via Summersville, Craigsville, Webster Springs, Buckhannon and Philippi.

Talbott, who was born in Fair-mont in 1916, lived there until 1938 when he moved to Weirton. He was graduated from Fair-mont State College in 1938 and taught history and social studies at Weirton High School from 1938 to 1942. He received his master's degree in 1942 from the University of Minnesota, writing his thesis in history on the "Negro Legal Rights in West Virginia" and was active in the West Virginia Classroom Teach-ers Association immediately after its founding.

Talbott taught history in both Minnesota and Iowa and became secretary of state of Minnesota in February 1958. His sister-in-law, Mrs. Frank Talbott, New-port News, Va., is the former Miss Mary Alice Wolford, Keyser.

Calvin Wolfe Heads PTA At Oldtown

Guest Speaker Is Jack Petry

OLDTOWN — The Oldtown Parent Teachers Association held election of officers Tuesday evening. Those elected are Calvin Wolfe, president; Joseph Herc-stein, vice president; Mrs. George Stein secretary, and Mrs. Harry Shryock, treasurer.

Mrs. Nellie Nixon read the scripture and led the group in prayer. Jack Petry, supervisor of high schools, spoke on "School Curriculum". Mrs. Eugene Carder announced there are 110 paid-up members in the PTA this year.

The association donated \$160 to the elementary rooms to be used as needed and also donated a Daylight Screen for the Visual Aid Education.

A dance honoring the bus pa-trol, babysitters, basketball teams and coach, and the cheerleaders will be held May 13.

Refreshments were served by the homeroom mothers of the 8th and 10th grades. Mrs. James Cook and Mrs. Noah Carder were chairmen.

LaSalle at Flintstone

LaSalle High's Explorers chalked up their second straight Allegany County Baseball League win yesterday and drew first blood in the city race by edging Fort Hill High's Sentinels, 4-3, at Fort Hill.

O'Toole's single which plated Mickey Scaletta in the sixth inning proved the margin of victory for LaSalle which cut down a rally by Fort Hill in the bottom of the sixth to preserve the win for Rice.

Roger Manges was the losing pitcher as he was touched for an extra-base barrage in the third inning when LaSalle counted three times. Brode was safe on an error, then Green and Mike Long hit back-to-back triples to score two runs and Long came home on Sloan's single for the third tally.

In the sixth inning O'Toole singled home Scaletta from second base to give LaSalle a 4-1 lead.

Fl. Hill Rallies

Fort Hill came back in the sixth when McKay singled, went to second on a wild pitch and rode home on Kean's bingle. Kean scored on losing pitcher Roger Manges' three-bagger but the Sentinel hurler, representing the tying run, was stranded when Puffinberger missed a squeeze attempt and then grounded out to end the frame.

Manges had two hits for Fort Hill while Green garnered a pair of singles for the winners.

In other league games Allegany won its second straight by belting Flintstone, 11-0, behind Whorton's four-hit pitching. Leading the Camper attack were Shook, Ranker, Willetts and Hadra with two hits each. Ranker and Hadra chipped in with three-baggers.

Haines had a pair of bingles for Flintstone which bowed for the second straight time. McPhail belted a double for the losers.

Beall made it two straight wins to equal Allegany and LaSalle's records in the league by turning back Valley High's Black Knights at Barton, 9-5.

Score Three Runs

The Mountaineers scored three runs in the first and added four in the third for a quick 7-2 lead. Jim Wilson led the Beall attack with two hits while Roger Wilson collected three bingles, including a double, for Valley. Billy Diehl was the winning pitcher while Johnson suffered his second straight loss.

Mt. Savage's defending champions got back on the winning track by blanking Bruce at Westport, 13-0.

Leading the Braves' 14-hit attack were Fay Otten and Leroy Morris with three hits each. Morris had a double and also pitched five-hit ball for the victory. He struck out nine. Three Bruce pitchers walked 11 batters in addition to giving up the 14 hits. The loss was the second straight for the Westernporters.

Maplehurst Begins Wednesday Tourneys

Regular Wednesday golf tournaments were inaugurated yesterday at Maplehurst Country Club by the men's golf association. Yesterday's tourney was a blind bogey affair with three players tying for first place.

Father Francis Montgomery carded 51-12-39; Gus Harris had 52-13-39; and Henry Morrissey had 51-12-39.

Charles Steidinger was closest to the pin on the par 3 No. 7 hole.

Catamounts Edge Ashland In 10th, 3-2, For 3rd Win

Engles's Sacrifice Fly Decides Contest

KEYSER, W. Va. — Potomac State's Catamounts swept its two-game series with Ashland College of Alliance, Ohio, yesterday by turning back the visitors 3-2 in 10 innings here. The win was the third in five games for the Cats.

Winning pitcher Ronnie Engle brought home the winning run in the bottom of the 10th with a sacrifice fly to deep center which scored Paul Butler from third base. Engle had relieved starter Bill Funkhouser who pitched shutout ball for six innings before tiring.

Potomac State took a 2-0 lead with single tallies in the first and second innings. Maurice Tenney reached first safely on an error to open the first inning for Potomac State. He took second on an infield out, went to third on a long fly out by Tinker Michael.

Cline's Homer Hands Jackets First Defeat

Moorefield Bows To Franklin, 3-1

FRANKLIN, W. Va. — Bob Cline belted a three-run homer with one out in the bottom of the seventh inning here yesterday to give Franklin High's Panthers a 3-1 decision over the Moorefield High Yellowjackets in a Potomac Valley Conference baseball game.

The loss was the first in five games for Coach George Hoti's Jackets who had allowed opponents only one run in four previous PVC games.

David Vance, Moorefield right-hander who blanked Wardensville earlier, was sailing along on a two-hitter, leading 1-0, until Cline's long blast broke up the game.

Moorefield took the lead in the third inning when Wayne Sherman was safe on an error and stole second. He moved to third on a fielder's choice and scored when Franklin pitcher Richard Bennett uncorked a wild throw to first on a two-out grounder by Johnny Mathias.

Vance walked eight and walked no one in holding Franklin scoreless through the first six innings. He had limited the Panthers to two hits but walked his mound opponent to open the seventh. Bennett took second when Dunkle beat out an infield hit for Franklin's third bingle. Then Bob Cline hit a 3-1 pitch into deep left center field for a three-run circuit swat that closed the books on the game.

Bennett picked up his second victory of the season as Franklin increased its record to 3-1 for the season. The box:

NEW YORK (UPI) — The stock market went into a sharp decline Wednesday with blue chip issues under heavy pressure from the outset.

The decline eased nearly a billion dollars from market valuations and drove prices to their lowest level since early March.

Brokers are calling the market's current weakness a further test of the year's lows. Institutional buyers were said to be awaiting such a sell off before extending their positions in favored issues.

However, the increase in trading on the decline discouraged those who were hopefully looking for the start of a typical spring rally.

Heaviest losses of the day were established by such blue chips as International Business Machines which fell 4 1/2 to 456 1/2. Du Pont fell 4 1/2 to 209 1/2, American Telephone 4 3/4 to 90, and General Electric 3 1/4 to 88.

The Dow-Jones industrial stock average closed at 618.71 off 7.69.

That drop was the widest since March 3 when the average declined 9.32, and brings the loss for the past two sessions to 12.06.

The experts note that the faltering action of the industrials as they approach the February recovery high of 632 indicates that resistance at this level is stouter than had been anticipated even a week ago.

that nothing is to be gained by making a temporizing response in diamonds first. North has 15 points in high cards and knows that partner has a minimum of 13 so he invites a slam by giving a jump raise to four no trumps. South has the maximum of 15 and he cheerfully accepts the invitation by bidding six no trump.

West opened the ten of clubs and declarer proceeded to take the spade finesse. The queen was permitted to ride around to West's king, and the club return was won in dummy. Declarer could count 11 tricks off the top two in spades and three each in hearts, diamonds and clubs with a 12th available in diamonds if that suit broke 3-2 or if the jack were successfully located. Accordingly he layed down the king of diamonds to see what happened.

West followed with the deuce and East played the six. With the five and three missing, it appeared that if anyone were short in diamonds, it would surely be East. South was therefore about

Chicago Grains

NGO (UPI) — Moderate liquidation of rice and soybean prices about a year ago grains held mostly steady today on the Chicago Board of Trade. The market closed with soybeans up 1/4 cent off 1/4 to 1/4; up 1/4; soybeans up 1/4 cent off 1/4 to 1/4; and oats up 1/4 cent off 1/4 to 1/4.

The May contract firmed on hearing the May contract firmed on hearing and buying against export. Traders watched the diminishing stocks of rice and soybeans. The market expressed fear a shortage might develop. Other wheat contracts held steady.

Shipping houses bought soy, which locals sold. Receipts were to the spot basis firmed. All exports were firm. Cash grain houses and sold May oats and there was investment buying of December futures declined on seller-based offers of a large Canadian shipment.

When he played a third club. East showed out, marking West with five of that suit. As the spades and hearts were run, West followed to three rounds of each. It now became apparent that he could have at most only two diamonds. Declarer now realized that if diamonds broke badly, East would have the burden of protecting the suit, so he led over to the queen and, when West showed out, it was routine to finesse against East's jack on the return.

also closed weak. Higher oil prices made a temporary lift, but sales continued to sag. Commission sold May beans, and commercial is bought distant crops.

Weekly inspections of soybeans for total 2,085,000 bushels, compared 737,000 last year. Total inspections Oct. 1 are 78,759,000, against 65,513,000.

Reports reported that Japan took 1,500,000 bushels of white and red soybeans Wednesday. Pakistan took 560,000 bushels of white. Britain took 600,000 bushels of corn, and Holland took 160,000 bushels.

Most markets were mostly steady.

Former Area Woman Slain In Virginia

Husband Kept Under Guard In Hospital After Slashing

A former Allegany County woman was slashed to death Tuesday night on a street in Fredericksburg, Va., and her estranged husband is in a hospital under police guard after an unsuccessful suicide attempt.

Mrs. Marjorie Johnson McConkie, 30, died after her throat was cut with a knife as she stepped from a taxicab to enter a theatre Tuesday night. A warrant charging her husband with murder was issued yesterday.

A daughter of the late Lynn Johnson, local B&O worker who died about two years ago, Mrs. McConkie graduated from Fort Hill High School here and went to work for the federal government.

Husband Is "Fair"

Her husband, Charles A. McConkie, 33, was reported in fair condition last night after emergency surgery on his throat. An Associated Press dispatch from Fredericksburg quoted police as saying McConkie slashed his own throat after attacking his wife.

Police said the warrant has not been served but that a 24-hour police guard is being maintained on McConkie at the hospital.

Sources said McConkie until recently had been employed as a laborer at Springfield in Fairfax County. Earlier, he had been a truck driver for the State Highway Department.

Police said the couple separated about three weeks ago. Their two children, Charlotte, 8, and Cynthia, 3, were reported living with Mrs. McConkie's aunt in Orange County, Va.

Slaving Reconstructed

Police pieced together this sequence of events in the Tuesday night slaying:

Mrs. Marjorie McConkie, 30, a civilian employee at the Quantico Marine base, stepped from a cab in front of a downtown theatre.

McConkie emerged from a taxicab and attacked her as she prepared to enter the theatre, cutting her throat and turning the knife on himself.

Spectators restrained him from making a second attack on his wife.

Appeal Cases Are Heard In Circuit Court

A number of appeals were heard yesterday in Allegany County Circuit Court by Chief Judge Morgan C. Harris.

James H. Goss, who pleaded not guilty to an assault charge, was handed a suspended six-month sentence in the Maryland House of Correction and was placed on parole on condition he keep the peace and be of good behavior.

The judge upheld the verdict of Trial Magistrate Paul W. Barnett who on February 17 found Goss guilty and sentenced him to six months in the House of Correction.

Miles Belmont Shuck, who was fined \$100 and costs on February 3 when tried before Trial Magistrate F. Allan Weatherholt on a charge of driving under the influence, yesterday dismissed his appeal and decided to pay the fine. The state dismissed a charge of reckless driving yesterday against Shuck, who was fined \$50 and costs February 3 when he was tried on the charge before Magistrate Weatherholt.

The appeal of James Edward Naill, who was charged with assault and sentenced to 18 months in the Maryland House of Correction by Trial Magistrate Russell Nierman on January 26, also was heard yesterday. The case is being continued.

Gerald V. Walsh, who was found guilty of speed greater than reasonable under existing conditions on March 3 before Magistrate Barnett and was fined \$25 and costs, yesterday dismissed his appeal.

Patrolman In Hospital

Patrolman James A. Brown, 202 Laing Avenue, is reported in good condition in Memorial Hospital, where he was admitted Saturday.

Births

Mr. and Mrs. Clifton D. Conaway, Sykesville, announce the birth of a daughter April 3 in Montgomery General Hospital. The mother is the former Miss Joan Lee Clark, daughter of Mrs. Lucy Clark, 15 Altamont Terrace.

Memorial Hospital

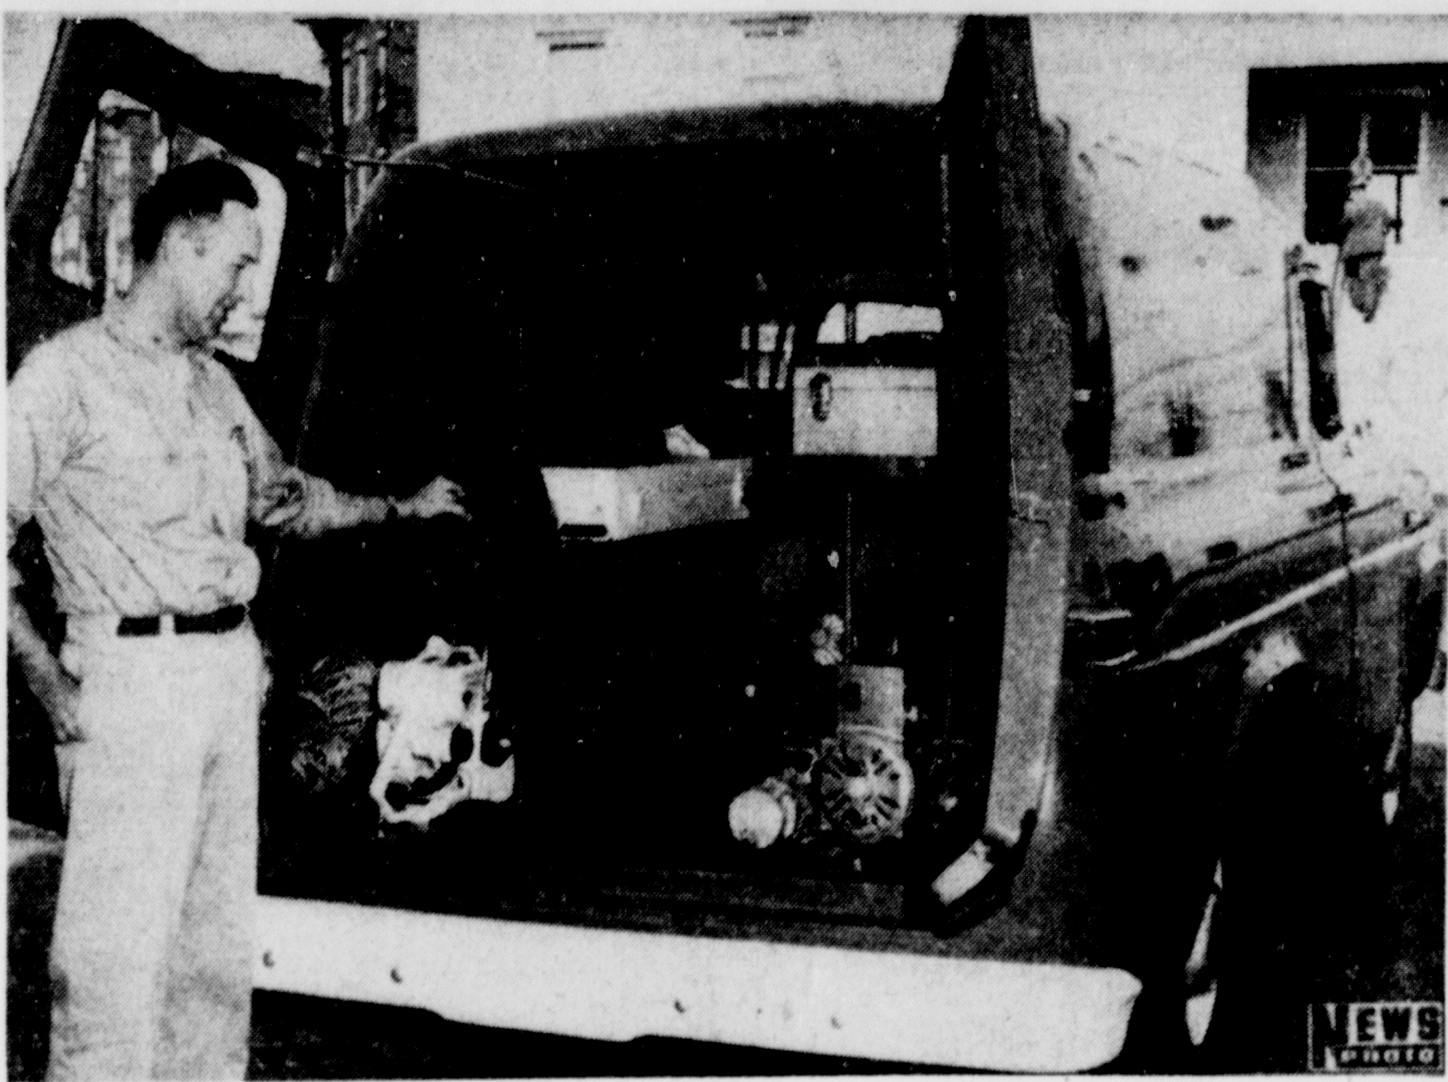

Mr. and Mrs. Thomas R. Bosley, Keyser, W. Va., a daughter yesterday.

Mr. and Mrs. Robert J. Hartman, RFD 3, Valley Road, a son yesterday.

Mr. and Mrs. Melvin R. Copeland, 209 Oak Street, a daughter yesterday.

Mr. and Mrs. Allen T. Poland, Piedmont, W. Va., a daughter yesterday.

Mr. and Mrs. William E. Leydig, Hyndman, Pa., a son yesterday.

Will Be Ready To Roll Soon

Capt. V. V. McClure, of Central Fire Department, admires some of the equipment which is being placed in the Cumberland Fire Department's emergency truck. The unit will be designated Emergency Truck No. 3 and will be kept at Central

Fire Department. Present equipment includes a chain saw, resuscitating equipment, an acetylene welding kit, heavy duty jacks and other equipment which would be needed by firemen in emergencies. The truck will be ready to roll soon.

Four-Way Shots Are Being Used By Health Unit

Polio Vaccine Put In Quadruple Antigen

More protection with fewer shots will be furnished with the new quadruple antigen D.P.P.T. which is being used by the Allegany County Health Department.

Dr. Ton van Strien, county health officer, said the department ordered supplies of the shots last month and has been using them in well baby clinics held this month.

The Maryland State Department of Health is adopting the quadruple antigen for use in Health Department clinics throughout the state according to Dr. Perry F. Prather, director.

The new multiple immunizing agent containing polio, diphtheria and tetanus toxoids and pertussis (whooping cough) vaccine, he said, will provide immunization against the four diseases with fewer injections and less discomfort to the child.

In the revised edition of the Health Department's manual of recommended procedures for immunizing young children, there is a guide for health officers and physicians in clinics regarding the use of the combined antigen.

The manual also points out the need for parents to be aware of the nature and significance of the immunizing procedures and the importance of preserving personal immunization records.

Much parental anxiety might be avoided Dr. Prather said, if parents could refer to records indicating specific immunizations. For example, the knowledge that the child has been immunized against tetanus would eliminate the necessity for the horse-serum-containing tetanus antitoxin following injury. Because in an emergency a parent may not recall the immunization record of a child, the importance of keeping written records available is evident, he said.

Dr. van Strien said the new immunizing agent will save time and many needless shots.

He said its use will cut shots needed by babies during their first year from six to four. In the past, he said, three DPT shots—to protect against diphtheria, pertussis and tetanus, plus one polio shot, were needed.

Fair Break Urged For Industries

Tax Concessions Termed Minor Item

George W. Hubley Jr., director of the Maryland Department of Economic Development, said that when all costs are considered, tax concessions are of little concern as long as an industry feels it "is getting a fair share of taxes."

Mr. Hubley was one of the principal speakers at the Community and Industrial Conference, sponsored by the area development department of Potomac Edison Company on the theme, "We have a good community—but a plan can make it better."

The importance of providing a complete picture of a community in seeking new industry was stressed by William B. Wrench, executive director of the Economic and Industrial Committee, Fairfax County, Va.

He said industry seekers must have complete facts and figures about their community, along with firm prices they can quote on proposed industrial sites.

Mayor J. Edwin Keech headed the Cumberland area delegation to the conference, which was attended by some 200 area civic and business leaders.

The importance of attractive communities was stressed, both for gaining new industries and retaining present industries.

Present Talks

Speakers included such specialists as Virgil Carrington Jones, well-known author and member of the Civil War Roundtable of Washington, D. C. Mr. Jones is presently serving as liaison officer for the National Civil War Centennial Commission.

Other speakers included Robert F. Foeller, director of urban planning for ACTION, Inc. (American Council to Improve Our Neighborhoods); Julian Tarrant, consulting city planner of Richmond, and C. Leslie Golliday, president of the Berkeley County Development Corporation.

Large exhibits and displays were prepared and were situated throughout the conference area. In addition, special kits were given to each person attending. These kits contained various materials useful in furthering development work at the community level.

City Water Office To Be Remodeled

Remodeling of the Water Department office at City Hall is to begin soon.

The major part of the program will be the construction of a modern counter for customer service and a door to provide easy access to the adjoining tax collector's office.

A modern safe will be placed in the main office for water sewage records, and a new desk is to be purchased.

Fort Hill Tank Fence Is Painted

Workers from the Lake Gordon filter plant last week painted the fence around the Fort Hill water tank, according to Franklin J. Blaney, sanitary engineer.

The work of applying the aluminum paint on the industrial type fence was speeded by the use of rollers.

All pump houses are getting a spring housecleaning and, if needed, a paint job, he said.

Quit-Claim Deed Filed For Land

A quit-claim deed was filed yesterday in the land records office of Allegany County Circuit Court between the County Commissioners and the Cumberland Housing Authority to eliminate any doubt as to the validity of the title to the land located along the west side of Hemlock Alley.

According to the deed, some question had arisen as to the validity of the title of property as vested in the Mayor and City Council and likewise the title to the property as vested in the County Commissioners.

The Commissioners acquired the title to Lot 116 of the Margaret M. Black Addition to Cumberland, part of a deed from the late Alban C. Thompson, tax collector, dated November 16, 1945 and recorded December 11 that year.

While the Commissioners owned the property, W. A. Strother, tax collector, held a tax sale of the property for unpaid state and county taxes due.

The Mayor and Council purchased the land, the deed to which was recorded December 4, 1950. In turn the city deeded the property to the Housing Authority November 2, 1959.

Police Issue Bike Permits After Tag Supply Is Exhausted

The Police Department is out of 1959 bicycle tags and will issue permits good until June 30, according to Police Chief B. F. Gaffney.

He said the supply ran out recently after 2,150 tags had been given out.

A supply of 1960-1961 tags has been ordered, Chief Gaffney said, and should be here early in June.

The permits being issued now are on small cards which should be carried by youngsters while bike riding.

Second College Test Planned

An additional College Boards Examination testing date has been scheduled for the benefit of students in the Tri-State area.

John R. Snyder, guidance counselor at Allegany High School, who will administer the test, said both the scholastic aptitude test and the achievement test will be administered at Allegany High School on Saturday, May 21.

Deadline for filing applications for the examination without payment of the late penalty fee is Saturday.

Applications must be received by the Educational Testing Service by Saturday or an additional fee is charged. Applications are available at high schools throughout the area.

Gallen Is Not Guilty Of Delinquency Count

John V. Gallen, city yesterday was found not guilty of contributing to the delinquency of a minor when his appeal case was heard by Chief Judge Morgan C. Harris in Allegany County Circuit Court.

In March he was sentenced to one year in the Maryland House of Correction during a hearing before Juvenile Court Magistrate Louis A. Fatkin.

Firemen Answer Call

Bowling Green Volunteer Fire Company yesterday evening answered a call to a brush fire on Haystack Mountain, but when firemen arrived they learned a resident was burning the brush on a portion of his property.

Cresaptown Man Father Of Cave-In Victim

Forrest H. White Killed At Elkins

One of the construction workers killed Tuesday in a cave-in at Elkins, W. Va., was the son of H. Clay White of Cresaptown.

Forrest Harvey White, 60 of Hambleton, W. Va., who was killed when a section of shale and earth caved in on him and two other laborers.

The men were employed by the E. A. Taylor Construction Company and were helping to lay interceptor sewers for a new sewage treatment plant.

Mr. White was born at Whitaker, W. Va., a son of Mr. White and the late Texie (Barkley) White. He was a lifelong resident of Tucker County and was affiliated with the Presbyterian Church.

Surviving besides his father are his step-mother, Bessie (Thompson) White; his widow, Alice (Collett) White; 12 children, Robert C., Elkins, and Kenneth, David, Pamela, Margaret, Dennis, William, Nelda, Forrest Jr., Harold and Roger White, all at home; five half-sisters, Mrs. Evelyn Meyer, Johnstown, Pa.; Mrs. Louvise Snyder and Mrs. Alice Clayton, both of this city; Betty Wilson, Cresaptown, and Miss Joann White, Arlington, Va.; two half-brothers, Marshall White, Cresaptown, and George White, Washington, D. C., and a grandchild.

The body will be at the Greenleaf Funeral Home, Parsons, W. Va., after 7 p. m. today.

Services will be conducted there Saturday at 2 p. m. by Rev. Paul Daniel, pastor of Free Methodist Church. Hendricks Burial will be in Sunrise Cemetery at Hambleton.

Interior Dept. Seeks 372 Acres At Ft. Necessity

WASHINGTON (AP) — The Interior Department Wednesday recommended that Congress authorize the addition of about 372 acres to the two-acre Ft. Necessity site in Pennsylvania.

The area would be redesignated "Ft. Necessity National Battlefield."

Ft. Necessity, near Uniontown, was the scene July 3, 1754, of the opening engagement of the French and Indian War. The military action at the fort also was the first major episode in the military career of George Washington.

Agile Scooters Are On Hand For Traffic Patrol

The Police Department's traffic scooters are in and will be placed in service soon. Police Commissioner Philmore Fleming announced yesterday.

Doors of the three-wheeled vehicles have been painted with POLICE in large letters and the vehicles will be ready for use as soon as they are equipped.

Chief B. F. Gaffney reports the department hopes to put them in service late this week or early next week.

The two agile vehicles were ordered primarily for the parking meter patrol.

But Mr. Fleming said all will be equipped with first aid kits, ropes, flares and similar equipment so they can be pressed into service in case of any emergency.

Officials are sure that two men riding the three-wheeled vehicles can do the work of the present four-man meter and traffic patrol.

Men freed from such duty, they said, will be transferred to other positions to strengthen the city's law enforcement facilities.

Wiley Ford PTA To Elect Tonight

The Wiley Ford Parent-Teacher Association will meet at 7:30 p. m. today at the school. Officers will be elected at the meeting.

The executive committee will meet at 7 p. m., and visits to classrooms will be held at the same time.

Dwelling Permits Issued By County

Two dwelling permits have been issued to Allegany County residents by the County Assessing Department.

Robert Steele, of Lonaconing plans to construct a brick veneer home at a cost of about \$10,000. The dwelling will have a concrete block foundation, an asphalt shingle roof and a cellar.

The home, according to the permit, will be located on Gramlich Road, Robinwood Drive in LaVale.

Lester C. Ritchie, Spring Gap, was granted a permit to build a brick veneer dwelling at a cost of about \$8,000.

The 25 by 44 feet home will have a concrete block foundation, composition roof and a basement.

Dinner Postponed

The annual dinner of the Sunday School Basketball League, originally scheduled for tonight, has been postponed until next Friday, April 29, at 6 p. m. in Centre Street Methodist Church hall.

Yough Could Tavern Keeper Become Top Fined \$500 On Trout Stream Gaming Charge

Judge Harris Issues Warning To Others

ANNAPOLIS (AP) — Maryland conservation officials are hopeful of restoring the Youghiogheny River as an important trout fishery now that a West Virginia coal mine has ceased operation near its banks.

Ernest K. Vaughn, director of the Game and Inland Fish Department, told the Water Pollution Control Commission Wednesday that the river "is without doubt the largest and potentially best trout stream in the state, and could be one of the finest in the east."

The problem, said Vaughn, has been acid waste from a Stanley Coal Co. mine in Preston County, W. Va. not far from Crellin, Md.

The mine has now ceased operation and Vaughn said a clearing effect has already been noticed in the stream.

He said the states of West Virginia and Maryland should be able to do something about permanently correcting the problem and that sportsmen of the area would probably be glad to cooperate. The mine owners have said they would be glad for any group to take it over, Vaughn said.

The Pollution Control Commission agreed to investigate the problem further, assemble data, and then recommend a course of action to Gov. Tawes, who would be asked to contact West Virginia officials.

Found In Burglary Probe

The case came to light when a "Lucky Horseshoe" machine in the tavern was smashed and rifled by William Edwards, of Baltimore, a former resident.

Edwards was fined \$25 and costs on a petty larceny charge when tried before a trial magistrate who handed him a 90-day suspended sentence and placed him on parole two years. A total of \$16.50 was reported rifled from the machine.

He was turned over to the local police by a bartender at the tavern who said he and his wife caught Edwards robbing the machine after business hours.

In another case heard yesterday, Judge Harris postponed sentencing a Midland tavern owner who pleaded guilty to permitting the consumption of beer on Sunday at his place of business.

John Yeager, who operates a tavern on Main Street in that community will be sentenced at 1:15 p. m. today on that charge.

He was also tried yesterday on a charge of keeping and maintaining a gaming device.

Legal Brief Filed

A legal brief concerning the gaming device charge was prepared by the defendant's counsel and will be studied by Judge Harris before he hands down a verdict.

The Allegany County Board of Alcohol Beverage License Commissioners received about three complaints concerning the Midland tavern and upon investigation learned that the operator was behind the bar of his tavern on Sunday, March 20, and a number of men were seated at the bar drinking beer.

It was also pointed out yesterday that two tip boards and a punch board were found and confiscated by two liquor inspectors and the sheriff.

The state's cases were presented by Donald W. Mason, assistant state's attorney.

Former W. Va. Senator Dies At Memorial

A. Emerson Doak, 84, former West Virginia state senator, school official and newspaper editor, died yesterday in Memorial Hospital here.

Mr. Doak, who had resided at Sistersville, W. Va., for the past 40 years, had been a patient at the hospital two weeks.

At one time Mr. Doak served in the West Virginia Legislature as a senator from Tyler County. He also served as superintendent of schools for Tyler County, and at one time had been editor of the Tyler Star-News at Sistersville.

He attended Bethany College and was a member of Arnold Creek Christian Church.

Born at Deep Valley, W. Va., he was a son of the late Robert and Ingabe (Bee) Doak. His wife, Callie (Fuchs) Doak, preceded him in death.

He is survived by a brother, Henderson H. Doak, this city, and a number of nieces and nephews.
